

Fuel Line Mini Clamps

Mini Clamps, also known as nut & bolt clips. These clips feature solid, rolled edge bands with a special nut and bolt tightening design and are designed to provide uniform sealing pressure required on fuel injection hoses.

K-SEAL code	Band	Housing	Screw	Corrosion Resistance	Suggest Installation Torque(Nm)
KMCxx	glavanized steel	glavanized steel	glavanized	Ordinary	See table
KMCGxxSS	304 SS	304 SS	304 SS	Good	See table
